Dear [REDACTED]

RE: SCCL-FOI-2021-076

Thank you for your FOI request, requesting the following information on Framework, Thermometer Devices and Support Products (Tender Publication Reference: 2021/S 000-000067) and what global and regional standards the following devices have achieved to be awarded on this tender under lot No.5

Your request has been handled as a request for information under the Freedom of Information Act 2000 and we are able to provide a reply to your request. Supply Chain Coordination Limited (SCCL) confirms it does hold information for NHS Supply Chain and the response is as follows:

“The global and regional standards required of devices awarded under lot 5 are included in the attached specification, published in the tender document suite”.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team

Yours sincerely,

FOI Team

Supply Chain Coordination Limited
