Dear [REDACTED]

RE: SCCL-FOI-2024/25-053

Thank you for your FOI request received by the FOI office for the following information:

- How many of the TYRX absorbable antibacterial envelope for cardiac implantable electronic devices (CIEDs) are distributed to NHS Trusts via NHS supply chain and via the Specialised Services Devices Programme (SSDP) annually? If this volume can be shared for NHS Supply Chain and SSDP separately that would be appreciated. Please also state if it is financial or calendar years data you are sharing. If it is also possible the number of NHS Trusts, that volume is being distributed to would be of use.

Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response below:

Financial Year 2023/2024 (April 2023 - March 2024) = 5879

Financial Year 2024/2025 (April 2024 - May 2024) = 1405 (as of 1st July 2024)

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely

FOI Team
