Dear [REDACTED]

**RE: SCCL-FOI-2023/24-084**

Thank you for your FOI request received by the FOI office for the following information:

1. Is your trust a member of a salary sacrifice scheme for a car? If so, which scheme are you a member of?
2. What is the total number of staff in your trust that have taken advantage of a salary sacrifice scheme for a car? What is the average amount of subsidy across the cars in your scheme?
3. What is the total number of staff that have taken advantage of a salary sacrifice scheme for a car are non-clinical? I would like this information broken down by staff role, i.e. nurse, consultant, etc.

Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL confirm that we are able to provide a response:

1. Yes, all our employees currently have access to a voluntary salary sacrifice car scheme provided by Tusker.
2. There are currently 24 people who have a lease car through Tusker. SCCL does not provide a subsidy towards the cost of Tusker vehicles.
3. 23 of the 24 colleagues stated above are in non-clinical roles. The one clinical role is a "Clinical Nurse Advisor".

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely

FOI Team
