Dear [REDACTED]

RE: SCCL-FOI-2023/24-098

Thank you for your FOI request received by the FOI office for the following information:

Please could I request a list of which qualified personal have reviewed evidence at NHSSC and what level of engagement both the manufacturer and distributors KiteLock have had with NHSSC in the creation of this Framework specification?

Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response.

When developing our category strategies, as part of our framework development we always consult with clinicians with the right expertise.

Under Section 40(2) of the FOIA, personal data is exempt from release if disclosure would breach one of the data protection principles set out in Article 5 of the GDPR. SCCL do not have consent to share third party information and are unable to provide a list of personnel.

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely

FOI Team
