Dear [REDACTED]

**RE: SCCL-FOI-2023/24-128**

Thank you for your FOI request received by the FOI office for the following information:

- During the course of responding to the FOI request shown below, your team stated that you were seeking permission from the supplier/manufacture to share a document.
- Please identify the document and the supplier/manufacture being referred to.
- Please provide the email correspondence between SCCL and the supplier/manufacture in which permission to share the document was sought and the subsequent response by the supplier/manufacture.

Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response.

Please find attached redacted emails between SCCL and 365 Healthcare Ltd. The document is identified in the email chain.

The specific identities of the staff members are exempt from disclosure under section 40(2) of the FOIA. This is because the information constitutes personal data as defined in the General Data Protection Regulation ("GDPR") and disclosing it would breach the principles of fair and lawful processing set out in the GDPR.

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

A [REDACTED] internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely

FOI Team
