Dear [redacted]

REF: SCCL-FOI-2023/24-088

I am writing further to your e-mail of 3rd November 2023 where you requested the below information:

Can I have a structure chart for the logistics and supply chain departments based in the midlands including names, job title and contact details.

Your request has been handled as a request for information under the Freedom of Information Act 2000 and we are now in a position to provide a full reply.

Please see attached the structure chart for logistics and supply chain departments based in the midlands. Under Section 40(2) of the FOIA, personal data is exempt from release if disclosure would breach one of the data protection principles set out in Article 5 of the GDPR. Therefore names and contact details have not been disclosed.

If you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the Department's handling of your information request will be reassessed by staff who were not involved in providing you with this response. If you remain dissatisfied after this internal review, you would have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

Yours sincerely
