Dear [REDACTED]

RE: SCCL-FOI-2025/26-063

Thank you for your FOI request received by the FOI office for the following information:

- I am writing to ask when framework 'Needlefree Connection Systems and Associated Products 2025' will announce which suppliers have been listed on the Framework?

Your request has been handled as a request for information under the Freedom of Information Act 2000 and can confirm SCCL does not hold this information. SCCL can supply additional information below which we are providing to you on a discretionary basis. This is outside the scope of the FOIA and not subject to internal review:

SCCL anticipate that applicants will be notified circa 18th July 2025 of the intent to award, following standstill and issuing of Frameworks. We are hoping to publish to the market to announce which suppliers have been successful, the contract details notice (Pre contract award notice) circa 22nd September 2025.

Please note these are estimated dates and may be subject to change.

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely

FOI Team
