Dear [REDACTED]

RE: SCCL-FOI-2025/26-067

Thank you for your FOI request received by the FOI office for the following information. Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response in blue below:

- My FOI request pertains to the answer provided by SCCL for FOI request SCCL-FOI-2023/24-031 and seeks the following clarification:
 1. Does the answer provided mean that HY9632 received technical assurance approval by the clinical team in the PPE Cell, or was it approved by SCCL technical approvers separate to the PPE Cell clinical team. Whilst the processes may have been similar, I would like to understand who undertook the process for HY9632.
[This product was initially approved by the PPE cell clinical team, the product then moved across into business as usual \(BAU\) at SCCL. The PPE cell and SCCL worked closely together during covid.](#)
 2. Secondly, in the HY9632 pack provided and attached below, SCCL BSI letter - Handan HY.pdf.
Please clarify whether this document was provided to you by a supplier or by the PPE Cell.
[Directly from the Suppliers.](#)
 3. Thirdly was the information contained in the HY9330 and HY9632 packs provided to SCCL by the two suppliers referred to in the initial request, or were the documents provided to SCCL by the DHSC PPE Cell.
[Directly from the Suppliers and from PPE cell when the products moved across in BAU.](#)

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain

dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely
