Dear [REDACTED]

RE: SCCL-FOI-2025/26-082

Thank you for your FOI request received by the FOI office for the following information:

- I am looking into an issue involving incorrect sets being used for transfusion and would like to get information on the market share (roughly) for different manufacturers of transfusion specific sets and general administration sets (separately) in the UK. If your data shows whether the same manufacturer supplies sets in both these categories, it would be really helpful if you could include this detail.

Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response in the attached spreadsheet.

SCCL cannot provide supplier names when releasing market share data as it is exempt from disclosure under section 43(2) (Commercial Interests) of the FOI Act 2000. This provides that information can be withheld where disclosure would, or would be likely to, prejudice the commercial interests of any person (including the public authority holding it).

It is acknowledged that the statutory exemption provided by section 43 of the FOIA requires SCCL to consider the public interest for and against disclosure of the requested information. SCCL has considered the public interest arguments for and against disclosure of information to which the exemption provided by section 43 of the FOIA applies.

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely
