Dear [REDACTED]

**RE: SCCL-FOI-2025/26-087**

Thank you for your FOI request received by the FOI office for the following information:

- Please send me the conclusions, reports or other documents produced following two reviews referred to in your annual report 2024/2025.

These reviews are mentioned on page 13 of the annual report. They are:

1. The "Supply Right" review of where your assets are against the level of risk facing those postcodes, produced using the BBC climate tool and the UK Flood Risk Mapping tool
2. The "Partner Expertly" review of the location of your customers and the volumes your moving into these areas, which you carried out using the XDI Gross Domestic Climate Risk

Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response in the attached data.

We hope that this response addresses your request. However, if you are dissatisfied with this response, you may request an independent internal review of our handling of your request by submitting a complaint within two months to the postal or e-mail addresses above, quoting the reference number above. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the handling of your information request will be reassessed by a member of SCCL staff who was not involved in providing you with this response. If you remain dissatisfied after this internal review, you will have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

If you require any further information do not hesitate to contact the FOI team.

Yours sincerely

FOI Team
