Dear [redacted]

RE: SCCL-FOI-2026/27-004

Thank you for your FOI request received by the FOI office. Your request has been handled as a request for information under the Freedom of Information Act 2000 and SCCL are able to provide a response below:

1. What are the contractual performance KPI's for this contract? - Please find these in the attached extracted Schedule 8, from the Framework Agreement.

2. Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages - The framework was awarded under the Public Contracts Regulations 2015. While NHS Supply Chain holds information on unsuccessful applicants, the identities of unsuccessful suppliers are withheld under section 43(2) of the Freedom of Information Act 2000, as disclosure would be likely to prejudice the commercial interests of those suppliers. NHS Supply Chain can confirm the number of suppliers who applied and the number who were successful and unsuccessful: 28 Suppliers Applied - 22 awarded and 6 rejected.

3. Actual spend on this contract/framework (and any sub lots), from the start of the contract to the current date – The current actual spend is £3.4 Million (Inc VAT).

4. Start date & duration of framework/contract? – The start date of the framework/contract was 31 October 2024. The duration of the framework/contract is initially 2 years with the option to extend by an additional 2 years. The end date of the framework/contract is 30 October 2028 (including the 2-year extension).

5. Could you please provide a copy of the service/product specification given to all bidders for when this contract was last advertised? - Please find attached the specification issued as part of the ITT.

6. Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension? - There is an extension clause, and this would be for a duration of 2 years.

7. Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed? - We are looking to extend the contract for a further 2 years. This progress is underway and once approved we can then provide further details.
